

San Francisco Community Alternative School

125 Excelsior Ave. San Francisco, California 94112

Silent Auction & Wine Tasting

On behalf of the parents and families at San Francisco Community School, I would like to thank you for your past generosity in supporting our school community. I hope that you will continue this tradition and partner with us at our December 11, 2010 Annual Auction and Wine Tasting.

San Francisco Community is a kindergarten through eighth grade, public school located in the Excelsior neighborhood. Our families represent the diverse community that is reflected throughout our district bringing together children from a wide range of ethnic backgrounds and class throughout the city.

This year San Francisco Community School is holding our auction to support our physical education, garden, and middle school sports programs – programs that are no longer supported by our state or local funds. I am writing to request an in-kind donation or a gift certificate to be included in this fundraising endeavor. The auction will feature a variety of items donated by local businesses and restaurants and will include an array of leisure time activities, gift certificates and goods from all over the Bay Area. Last year over 150 people attended the auction and purchased items. It's a great way to support your community and some of its most important assets - our youth. You may even gain some new customers!

Thank you for your consideration and support, with your help we can make certain that San Francisco's children receive the quality education that they deserve.

Sincerely,

SFC Fundraising Committee and Parent
