Week of February 1, 2010

NEWS

Hello Families!

- You may have heard that Thursday, March 4th will be a district-wide day of action about the pending budget cuts to schools. We are planning to participate by taking our students on field trips to the rally that starts at 4pm. We will have much more information as we get closer to the date.
- Our Haiti Action Group met again last week to discuss steps that our community can take to support children in Haiti. This has become a group of parents, students (K-8), and educators. They are identifying fundraising and other service actions that can give direct support. See Deni for more information if you'd like to be involved.
- We have a PAC meeting next Monday night (February 8th) to plan for the upcoming school events. Please come!
- Please be sure to send in money to Martha or Ivy if you owe money for school lunches.

STRONG INDIVIDUALS

We support our students to be strong individuals through the following classroom activities:

News from the Library:

K/1: They just finished doing a short unit on fairytales. They are about to begin reading all of the books that were nominated for the California Young Readers' Medal. They will be voting on which book they like the best.

2/3: Since winter break, 2nd and 3rd grade students have been learning about Dr. Martin Luther King Jr. They have also learned how to use the computerized library catalogue.

4/5: This grade level has been learning how to use the "Destiny Quest" which they can also use from home.
